Initiation of New Members

Closing Remarks

Featured Speaker:
Adrienne Teague

Our featured speaker is Adrienne Teague, a public librarian in Tulsa, Oklahoma, who earned her MLIS from the iSchool at Syracuse University in 2018. Affiliated with the Pi Lambda Sigma Chapter at Syracuse University, she is serving as the National President of Beta Phi Mu from 2022-2023.

Employed by the Tulsa City-County Library (TCCL) system for the past 15 years, Teague currently serves as a teen librarian for the Rudisill branch library. Noted for her work in reader advisory services, she has developed a program, Your Next Great Read (YNGR), which promotes reading to teens and young adults. She has also been recognized and awarded for her community education programs centering on the Tulsa Race Massacre which occurred in 1921 just blocks from where the current library building stands.

With several librarians in her family, Teague is pleased to continue the tradition. She enjoys advocating for libraries and encouraging individuals to consider careers in librarianship.
